

HeartSine samaritan® PAD 350P

Semi-automatic defibrillator

POA

Specially designed for use in all weather conditions, the HeartSine samaritan® PAD 350P is a sophisticated semi-automatic defibrillator for adult or pediatric use, inside a lightweight and easy-to-operate system.

This AED has one of the highest IP ratings on the market, which means that it is recommended for outdoor, marine and aircraft industries.

- Press button to administer shock
- CPR coaching
